## Statement of Originality

This case is based on (please check one):  Field research  Secondary research

If the submitted case is based on field research, I have enclosed a Release Form using the company's letterhead that is signed and dated by the responsible senior officer of the company in question.

I/we certify that the attached case study is entirely my/our own work, that it is drawn entirely from the sources documented in the text, that it has never been published in part or in whole in any other venue or otherwise been presented or tested in any public forum. I also agree that this case will not be published or tested before January 10, 2025, unless previously released by the competition.

I would like this case to be considered for publication under the JMSB banner, following the 2025 John Molson MBA International Case Competition.

Signed at \_\_\_\_\_ (location) on \_\_\_\_\_ 2024 (date).
