Statement of Originality

This case is based on (please check one): ☐ Field research ☐ Secondary research

☐ If the submitted case is based on field research, I have enclosed a **Statement of Authorization / Case Release** signed by a senior officer of the company and printed on official company letterhead.

☐ I/we certify that:

The attached case study is **entirely original** work. All sources are documented. This case has not been published, presented or tested, in whole or in part, in any public forum or class setting.

☐ I also agree that this case will not be published, tested, or presented in any public or class setting before January 15, 2026, unless prior written permission is granted by the competition organizers.

☐ I recognize and accept that any publication, testing, presentation, or other use in a public or class setting before January 15, 2026, will disqualify this case from the Case Writing Competition and from any prize that may have already been awarded.

☐ I would like this case to be considered for publication under the JMSB banner, following the 2026 John Molson MBA International Case Competition.
